6/30/2022 11:25:19 AM

Introduction

The South Carolina General Assembly tasked the South Carolina Department of Public Safety (SCDPS) with distributing appropriated funds to your agency. State Budget Proviso 117.21 mandates that each agency receiving a contribution render to the state agency making the contribution specific information.

The information collection process will take place in two (2) parts, Part A and Part B. All responses submitted by your agency through this portal will be processed by the SCDPS Office of Highway Safety and Justice Programs (OHSJP). If your agency was appropriated funds for more than one purpose, please complete a separate Part A and Part B form for each project.

At this stage, your agency should have already submitted Part A, which requested a detailed description of your agency's project.

Part B, which requires the status of your agency's project, is due **June 30, 2022**. Should the project continue beyond June 30, 2022, your agency must annually provide a response to Part B until the project's completion.

All responses should reflect the actual expenditures made by your agency as compared to the appropriated funds provided by SCDPS.
